## Status Sweep Web Enables Calyx Point

- ✓ **Increases Revenue**
- ✓ **Reduces Cost**
- ✓ **Streamlines Operations**

Status Sweep builds more profitable mortgage companies many different ways with no new investment in Loan Origination Software or training. Status Sweep is a web based application that works directly with your Calyx Point® system you already own.

### How Does Status Sweep bring you more profit?

#### Status Sweep Increases Revenues by:

1. Boosting customers referrals
2. Providing new business opportunities
3. Recruiting Loan Officers without adding office overhead
4. Retaining Top Producers

#### Status Sweep Creates Savings by:

1. Reducing administrative burden
2. Minimizing telephone interruptions
3. Limiting processing overhead
4. Decreasing consumable expenditures
5. Reducing cold storage costs to zero
6. Eliminating reproduction costs
7. Shrinking document mailing costs

#### Status Sweep Streamlines Operations by:

1. Instantly accessing current and historical documents
2. Reducing document transmittals
3. Ensuring file compliance
4. Guaranteeing Audit preparedness
5. Safeguarding data
